Frequently Asked Questions

Which classes are accepting applications for the 2027–28 academic session?
Applications are open for Grades 1 to 12, including Science, Commerce and Humanities streams in Grade 11. Seats in Grades 10 and 12 are limited lateral-entry places, offered strictly on transfer cases and merit.

What does the entrance assessment or interaction involve?
For Grades 1 to 5, we conduct an informal, stress-free child and parent interaction to understand readiness. For Grades 6 to 12, students take a short baseline proficiency assessment in English, Mathematics, and Integrated Science.

How can we schedule a guided campus visit before applying?
Click any "Schedule a Visit" or "Book a Campus Visit" button on this page to pick your preferred date and time slot. Campus tours are conducted Monday through Saturday between 9:30 AM and 3:30 PM.

What if we don't have the original Transfer Certificate (TC) at the time of application?
You may apply using the birth certificate and latest mid-term/annual report card. The original Transfer Certificate from the previous school can be submitted up to 15 days before the new session commences in April 2027.
